Entrants and/or potential winners may be required to provide proof of identification and eligibility as required by Sponsor or Administrator.

- 3. HOW TO PARTICIPATE:** During the Contest Period, eligible entrants will have the opportunity to participate in Virtual Events. There will be eight (8) Virtual Events, one (1) per month. Each Virtual Event will include two (2) different racing divisions: Open and Pro. All racers (but for eligible entrants who qualified for the Pro division during the 2021 AWS DeepRacer Pre-Season) will start the Season competing in the Open racing division. At the end of each Open division race, the top 10% racers in the Open division, as determined by each month's racing type, will advance to the Pro division. Winners of the Pro division's monthly race will qualify for the First Prize (as further described below).

To participate in the Contest, eligible entrants must first log into their AWS account, navigate to the AWS DeepRacer service in the AWS console, and then follow the links and instructions to provide agreement to these Official Rules. Once an eligible entrant had agreed to these Official Rules, they may then submit their AWS DeepRacer "Reinforcement Learning Model" into the applicable Virtual Event. Sponsor/Administrator accepts no liability if entrant's model fails to evaluate or submit for any reason. Your submitted model's performance will then be programmatically evaluated in the race according to the specified race setup. Your model will then be ranked based on a ranking metric, typically total time taken to complete the race, however, this metric may change on a per race basis and this change will be indicated in the race setup. You can submit multiple models to any given race, but only your best submission will be kept and ranked. After each race, the race results will be displayed on the AWS DeepRacer League website. Additional details, including the Schedule and Standings, may be found at www.awsdeepracerleague.com. The top 10% (total of 3000 maximum throughout the Contest) in each Open division Race will be potential third prize winners and will advance to the Pro division. There will be eighty (80) potential second prize winners, ten (10) per month, from the Pro division. The top 16 racers of the Pro division will then proceed to a finale race to determine the top twenty-four (24) racers, three (3) per month. The finale racers will

be the potential first prize winners and will have the opportunity to race in the Championship event as further described below.

Championship Event Race: The twenty-four (24) selected first prize winners, 3 per month, will have the opportunity to race in the Championship Event at re:Invent 2021 which is tentatively scheduled for December 2021 (specific date will be communicated once confirmed). Details of Championship event and winner determination will be available to qualifying entrants prior to participation and posted at www.awsdeepracerleague.com. All entrants must read and agree to the Championship Event Race rules prior to participation.

All entries to an Open or Pro division, or Championship Event race(s) must be received prior to closing of the applicable race to be valid. No liability is accepted by the Contest Entities for late entries. If you are a government or public sector employee, you certify that you have confirmed with appropriate parties that acceptance of the prize complies with your internal policies and any applicable law and regulations

4. **WINNER DETERMINATION:** The rules may vary per race and will be communicated online at <https://aws.amazon.com/deepracer/league/>.
 - I. You may only submit your own models or the sample models provided in the AWS DeepRacer service.
 - II. You may submit your models to any and all of the Virtual Event in the AWS DeepRacer service during the Contest Period.
 - III. Each Virtual Event will have a specific race setup (e.g. the race track, the race type, ranking metric, number of laps, time penalties, and other parameters). In the Open division, all races will be conducted in the time trial format, with winners determined as the fastest time on the leaderboard at the end of the promotion. In the Pro division, race type, ranking metrics, time penalties, and other parameters may change from race to race, and will be indicated in the race setup in the AWS console. The race types include but are not limited to time trial, object avoidance, head-to-bot, head-to-head, grand prix, head-to-bot with object avoidance, head-to-head with object avoidance, and grand prix with object avoidance. Races, unless otherwise indicated, will require that you complete 3 laps. During a race submission, if your car goes off track (i.e., all four wheels are outside the white border lines, or collides with a bot or another car), it will be reset onto the track. Resets will receive time penalties for off-track resets, and for collision resets.
 - IV. For each Pro division Virtual Event, the ultimate race winner will be determined by a finale racing event once the initial monthly race ends. The finale racing format will be determined by AWS and published with each Pro division Virtual Event on awsdeepracerleague.com. The top ranked 16 participants (or other number as indicated in the race) when the Pro division Virtual Event closes will take part in the monthly finale. Racers will have the opportunity to submit the model of their choosing to participate in the finale. If a racer fails to submit a model to the finale race, the model from the Pro division race will be used. Racers that have won first, second and third place in prior finale races in the Contest are eligible to continue participating in the Pro division, but will not be eligible to race in subsequent finale races.
 - V. The AWS DeepRacer service will automatically evaluate the performance of your model according to the race setup.
Your model will be ranked according to its ranking metric (default will be total time taken to complete the required number of laps). If your model could not complete

- the indicated laps, or some other error occurred, your submission will receive a DNF, and will not be entered into the leaderboard.
- III. You can submit as many models (unless indicated otherwise) to a Virtual Event as you like and only the best submission, based on the ranking metric, time will be displayed on the leaderboard.
 - IV. Each bracket elimination race consists of a continuous lap race with a predetermined number of laps (3 unless indicated otherwise) and predetermined number of objects (3 unless indicated otherwise) on the track. Racers will receive time penalties for resets due to going off-track or crashing into an object, or causing a crash with the other racer. The racer who completes all laps first will win the race.
 - V. The results will be published and made official on the eighth US business day after the race closes on www.awsdeepracerleague.com and in the Virtual Event leaderboard.

In the event a prize is forfeited for any reason, including for non-compliance with these Official Rules, no additional prize will be awarded. Prizes will not be redeemed or exchanged for cash, except where required by law. In no event will more than the stated number of prizes be awarded. No prize substitution or exchange will be allowed, except by the Contest Entities, who reserves the right to substitute a prize of equal or greater value for any reason, subject to the exclusions outlined in Section 5(A) of these Official Rules.

HOW TO CLAIM A PRIZE:** At the conclusion of each race, potential winners will be notified via e-mail using the information disclosed at the time of registration and provided further details to claim their prize. They will be directed to a prize redemption portal to complete the required information in order to claim the prize. If an affected second prize winner is a resident of United Kingdom, Hong Kong, or the United Arab Emirates, cash equivalent will be provided via a pre-paid credit card. All information and required documentation must be completed and submitted in the prize redemption portal within 30 days. Before being declared a verified winner, the potential First Prize winners, or in the case of minors, their parents or legal guardians, must complete, sign, and submit an Affidavit of Eligibility/Liability & Publicity Release and a tax acknowledgement form ("Affidavit"), within fourteen (14) business days from the date it is e-mailed to the potential winner by the Administrator. Potential winners are subject to verification of eligibility and compliance with these Official Rules and/or applicable law. Failure to provide all required information and complete all of the other required activities within the stated time period may result in forfeiture of winner's right to claim a prize, and in the case of first prize winners may result in the prize being awarded to an alternate winner, if time permits. If permitted, the potential winners may be subject to a background check before the prize is awarded. Sponsor reserves the right to disqualify the potential winner based on the results of such background check if Sponsor determines in its sole discretion that awarding the prize to any such individual might reflect negatively on the Sponsor. Further, winners are responsible for their behavior whilst taking the prize. The Sponsor reserves the right in its

absolute discretion to exclude a winner from participation in any aspect of the prize if the winner fails to comply with the directions of the Sponsor or any companies associated with the prize or if a winner acts in a manner that is dangerous to themselves or to the public or is, in the opinion of the Sponsor, anti-social, infringing, or disparaging in any manner or which causes a disturbance or nuisance to others. Upon verification of eligibility, the winner will be contacted regarding prize fulfillment and Sponsor/Administrator will coordinate travel arrangements, if applicable. If a potential winner is found to be ineligible, declines to accept the prize, or any winner notification is returned as undeliverable; the potential winner cannot travel on the specified dates; the potential winner fails to respond to a winner notification within the timeframe specified in such winner notification; or if a potential winner does not answer the initial notification, the prize may be forfeited. If a prize is unclaimed, unredeemed or any portion thereof returned as undeliverable, it will be forfeited. Un-awarded prizes will remain the property of the Sponsor. Prizes are not transferable and includes only the items specifically listed as part of the prize. Approximate retail value is as of the time these Official Rules were printed and the value of the prize may fluctuate based on winner location and cost of travel. The winners are not entitled to any difference between the ARV and the actual value of the prize at the time the prize is awarded. If, after a good-faith attempt, Sponsor/Administrator is unable to award or deliver a prize, that prize will not be re-awarded.

EACH WINNER WILL BE ISSUED A FORM 1099 FOR TAX PURPOSES, OR EQUIVALENT TAX FORM IN THEIR COUNTRY OR REGION, IF ANY, IN THE AMOUNT OF THE ACTUAL RETAIL VALUE OF THE PRIZE AND MUST SUBMIT THEIR SOCIAL SECURITY NUMBER, AS AND IF REQUIRED BY LAW.

Each winner shall be solely responsible for payment of any and all applicable federal, state, provincial and local taxes for the prize won. Where applicable, the Sponsor may require winners to provide additional tax information, as required by law.
