

AWS PODCAST | S2

Geetha: Hi, I'm Geetha.

Constance: And I'm Constance.

Geetha: And we're back for another season of inspiring conversations with those at the heart of AWS.

Constance: That's right. We're so excited to be bringing you more insights, more amazing personal journeys and more stories about what's going on up here in the cloud.

Geetha: We've got some super guests lined up for you, and we'll be continuing to look at AWS as a supportive, inclusive environment for everyone.

Constance: So, we'll be having some frank discussions about mental health in the workplace.

Geetha: How we support those with disabilities.

Constance: How we're working with our customers to improve gender inequality in other industries.

Geetha: And so much more.

Constance: So, subscribe wherever you listen to your podcasts and join us on [Here at AWS](#) for season 2.

Geetha: See you soon!
